JUDGE SAM A. CROW
US DISTRICT COURT
RECEIVED

Let me Please say this honorable Sam A. Crow.
my Lawyer and the prosecuter had a agreement on a plea for 36 months I Singned it and now they are talking about 70-87 months. So they give me 12 Criminal History points. 9 of the points was for cases that got run together and it was the same day when I get sentence CR116428 7/29/90 I was credited 3 points for this case and them I was Credited and additional 3 points for the same Case on 12/10/92 CR142167 and CR116428 and Docket # sf74310 and another 3 point for 9/21/93 Docket # CR142167 and sf74310
So how is this legall I singned for 36 months so if there not going to honor the plea for 36 months
I Should be able to withdraw the plea if you don't wish to withdraw my plea please check my Journal entry, from when I was arrested and you will see that they are double counting me on my points.
