**No. 94-20061-01-CM**

**ORDER**

This case is before the court on Defendant’s Motion to Expungement Criminal Records [sic] (Doc. 86). Defendant asks the court to expunge his record because he has been released from prison. The court has authority to expunge a record in extreme cases where a federal conviction has been invalidated in some manner. *United States v. Pinto*, 1 F.3d 1069, 1070 (10th Cir. 1993). In this case, however, defendant makes no allegation that his convictions have been invalidated, leaving the court without power to expunge his record. *Id.* Defendant fails to offer a valid basis for relief, and the court denies his motion.

**IT IS SO ORDERED.**

Dated this 23rd day of March 2009, at Kansas City, Kansas.
