<sup>1</sup> The Court recognizes that defendant has filed a motion to reconsider. See Motion To Reconsider (Doc. #399) filed February 20, 2019. In that motion, he asks the Court to set aside the prior order which denied relief and order a full resentencing under the First Step Act. The government opposed defendant’s motion to reconsider, and the motion remains pending. Based on defendant’s present request to withdraw his original motion, the parties may file supplemental memoranda on defendant’s motion to reconsider. **On or before July 1, 2019, defendant may file a supplemental memorandum in support of his motion to reconsider. On or before July 15, 2019, the government may file a response.**
