MEMORANDUM AND ORDER

The Kansas Supreme Court recently addressed the scope of the “Marketable Condition Rule” in Kansas gas well leases in *Fawcett v. Oil Producers of Kansas*, No. 108,666, 2015 WL 4033549 (Kan. July 2, 2015). The *Fawcett* ruling will likely impact pending motions in this case. Therefore, the parties shall re-brief plaintiffs’ Motions for Partial Summary Judgment (Dkts. 105, 106, 107) and defendant’s Motion to Decertify Class Action (Dkt. 128). The respective moving parties have until July 28, 2015, to re-file memoranda in support of each of the above motions. A standard response and reply briefing schedule shall apply thereafter according to D. KAN. R. 6.1(d).

IT IS ACCORDINGLY ORDERED this 14th day of July, 2015, that parties have until July 28, 2015, to re-file initial briefs for pending Motions (Dkts. 105, 106, 107, 128) as detailed herein.
