

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF KANSAS

MW BUILDERS, INC.,

Plaintiff,

v.

Case No. 16-2340-JAR

FIRE PROTECTION GROUP, INC.,

Defendant.

SECOND AMENDED SCHEDULING ORDER

The parties have filed a joint motion (ECF No. 48) to amend the scheduling order in this case.¹ The court finds good cause to grant the motion and amend the scheduling order. However, although the parties specifically assert that the June 12, 2018 trial setting will not be affected by the requested extensions, the trial setting is tied to the dispositive motion deadline, i.e., the court must schedule enough time for such motions to be fully briefed and decided prior to trial. Accordingly, with the consent of the presiding U.S. District Judge, the trial setting is reset and the scheduling order is amended as follows:

SUMMARY OF DEADLINES AND SETTINGS	
Event	Deadline/Setting
All discovery completed	December 27, 2017
All other potentially dispositive motions (e.g., summary judgment)	February 16, 2018

¹ ECF Nos. 7 & 25.

Motions challenging admissibility of expert testimony	45 days before trial
Proposed pretrial order due	January 12, 2018
Pretrial conference	January 22, 2018, at 9:00 a.m.
Trial	October 23, 2018, at 9:00 a.m.

All other provisions of the original and amended scheduling orders shall remain in effect. The schedule adopted in this second amended scheduling order shall not be modified except by leave of court upon a showing of good cause.

IT IS SO ORDERED.

Dated July 28, 2017, at Kansas City, Kansas.
