ORDER

Plaintiff, a federal inmate proceeding pro se, brings this action under 42 U.S.C. § 1983 alleging defendants were deliberately indifferent to his medical needs. He has filed a motion (ECF No. 69) requesting copies of all filings in this case based on his belief that his legal materials were destroyed by the Kansas Department of Corrections (“KDOC”) when he was transferred from KDOC to federal custody. The KDOC defendants have responded to the motion with evidence that plaintiff’s property was not destroyed but was mailed to his wife, at plaintiff’s request and in accordance with KDOC policy.¹ In addition, the KDOC defendants served copies of the key documents in this case on plaintiff as a courtesy on July 31, 2019. Plaintiff’s motion therefore is denied.

¹ ECF No. 72 and accompanying exhibits.

Plaintiff is hereby informed that, within 14 days after he is served with a copy of this order, he may, pursuant to Fed. R. Civ. P. 72 and D. Kan. Rule 72.1.4(a), file written objections to this order by filing a motion for review of this order. Plaintiff must file any objections within the 14-day period if he wants to have appellate review of this order. If plaintiff does not timely file his objections, no court will allow appellate review.

Dated August 1, 2019, at Kansas City, Kansas.
