Subject: RE: 5:18-cr-40067-HLT USA v. Robinson

Counsel,

We would also have time on Friday afternoon at 3:00 pm or tomorrow afternoon at 2:30 pm. Jude would prefer Friday but she is agreeable to tomorrow if this is an urgent matter.

Judge assumes there will be the need for witnesses at the hearing. If the parties would like to discuss witnesses or other issues in more detail with her, she is happy to set a phone conference prior to the hearing.

Please let me know.

Thank you,

Heather Tildes
