REPORT AND RECOMMENDATION

NOTICE

Within fourteen (14) days after a party is served with a copy of this Report and Recommendation, that party may, pursuant to 28 U.S.C. § 636(b)(1) and Fed. R. Civ. P. 72(b)(2), file written objections to this Report and Recommendation. A party must file any objections within the fourteen-day period if that party wants to have appellate review of the proposed findings of fact, conclusions of law, or recommended disposition. If no objections are timely filed, no appellate review will be allowed by any court.

REPORT AND PROPOSED FINDINGS

Plaintiff commenced this action *pro se* on January 18, 2018 by filing a Complaint (ECF No. 1) alleging employment discrimination on the basis of disability, HIPAA violation, retaliation and harassment against Saint Francis Community Services.¹ This action stems from allegedly discriminatory and retaliatory conduct during Plaintiff’s employment as a substance abuse counselor, a position he still holds with Saint Francis Community Services.² This matter

² *Id.* at 3-4.

comes before the Court on Plaintiff's Motion to Proceed without Prepayment of Fees (ECF No. 3).

Section 1915 of Title 28 of the United States Code allows the court to authorize the commencement of a civil action "without the prepayment of fees or security therefor, by a person who submits an affidavit...[if] the person is unable to pay such fees or give security therefor." To succeed on a motion to proceed *in forma pauperis*, the movant must show a financial inability to pay the required filing fees. The decision to grant or deny *in forma pauperis* status under section 1915 lies within the "wide discretion" of the trial court.

Based on the information contained in his Affidavit of Financial Status (ECF No. 3), Plaintiff has not shown a financial inability to pay the required filing fee. Plaintiff is currently employed and claims \$1,800.00 in monthly income.³ He owns four vehicles and owes nothing on them. He has \$700.00 cash on hand. Plaintiff claims total monthly expenses of \$1,720.00.⁴ Because Plaintiff's monthly income exceeds his monthly expenses, the Court finds that Plaintiff has sufficient financial resources to pay the filing fee.

The Tenth Circuit in *Lister v. Department of the Treasury*⁵ has held that magistrate judges have no authority to enter an order denying a motion to proceed without prepayment of fees because such ruling is considered dispositive. Under Fed. R. Civ. P. 72(b), a magistrate judge can only issue a report and recommendation for a decision by the district court. The undersigned Magistrate Judge therefore submits to the District Judge the following Recommendation regarding Plaintiff's motion.

Based upon the above findings, it is hereby recommended that Plaintiff's Motion to Proceed Without Prepayment of Fees (ECF No. 3) be denied. Plaintiff should be ordered to prepay the full filing fee of \$400 within 30 days in order for this action to proceed and cautioned that failure to pay the filing fee by that time will result in the dismissal of this action without prejudice.

Respectfully submitted.
